Leave the City Behind

Clevedon on the Wairoa River

This is a longer round trip (5½hrs) usually starting from Half Moon Bay. Departures from our marina will add an extra ¾ hr.

The usual cruise takes us out of the Tamaki passing south of Browns Island. We then enter the Tamaki Straits and follow the coast past Maritai and round Whakakaiwhara Point. On the way up the scenic and tranquil Wairoa River we will pass through rural lowlands, see inland boating clubs and moorings and spectacular life style homes and developments. Bird life is abundant.

The voyage as a return trip requires a turn near the polo club and enjoying lunch aboard on our way back. The voyage can be arranged with a transfer at the Clevedon Wharf with coaches organised by you or us to suit.
