Leave the City Behind

Mahurangi River/ Kawau Island/Sandspit

Departure is from Warkworth Wharf at high water. The cruise takes us down the beautiful Mahurangi River, estuary and through the Mahurangi Harbour entrance.

In Kawau Bay we pass Motuora Island and then stop to view the wreck at Moturekareka Island. The trip continues to Kawau Island and passes South Cove, the old Copper Mine ruins at Dispute Cove, then to Mansion House Bay once home to Governor Grey. We enjoy lunch cruising up Bon Accord Harbour and stop at Smelting House Bay where our boat "Kawau Isle" was built by the Lidgards in 1952. Here there is time to disembark for a short walk to the Kawau Island Yacht Club for ice creams etc. The voyage continues to North Cove then crosses Kawau Bay to finish at Sandspit Wharf at the entrance of the Matakana River
